“Accountability defines responsibility”

– Mark T. Barclay

He Will Complete It

1 Chronicles 28:20 - David said to his son Solomon, be strong and of good courage, and do it! Do not fear nor be dismayed, for the LORD God--my God--will be with you. He will not leave you nor forsake you, until you have finished all the work for the service of the house of the LORD.

Is there something you've been believing for - hoping for - that's taking longer than you expected? You might be tempted to just accept things the way they are. You might be tempted to think it's never going to happen. If that is you, be encouraged, God is a finisher! He will complete what He's started in you!

Your part is to have faith - believe. Your part is to keep your eyes on Him. When you do, you have the Creator of the universe fighting your battles, arranging things in your favor, going before you, moving the wrong people out of the way. Don't be intimidated by the size of a problem or the size of your dream! Don't let circumstances convince you to stop believing. Jehovah Jireh is still on the throne. One touch of God's favor and you'll go from barely getting by to having more than enough!

Thank God for Him working in your life. Declare that He is perfecting what concerns you. Declare that He will complete everything He's started in your life!

The Ability to Believe

Romans 12:3 - God has dealt to each one a measure of faith...

One of the greatest abilities God has given each one of us is our ability to believe. If you believe God's Word, you can be successful. If you believe God's Word, you can overcome mistakes of the past. If you believe God's Word, you can fulfill your God-given destiny.

There is incredible power in what you believe.

What you believe is greater than your circumstances, greater than your trials, greater than your medical report, and greater than your bank account! When you get into agreement with God and what you believe will supersede any natural law.

One man came to this country with nothing but the clothes on his back. Today, he runs a Fortune 500 company. Against all odds --he believed-- he could do what God placed in his heart.

We need to nurture those seeds of faith by dwelling on His Word. As you get the Word of God in your heart, faith will come to you. Faith will grow and strengthen in you. Faith will rise up in you and empower you to take hold of all the blessings

God has for you!
