## Accomplishing Your Dreams

**Zechariah 4:6** - Not by might, nor by power, but by My Spirit, says the LORD of hosts.

Are you facing a situation that seems impossible? Have you been fighting a battle for a long time? The key is: do not talk about how big the problem is. Do not confess "you're never going to make it." Instead declare, "the gracious hand of God is upon my life!" When you realize God's hand of favor is upon you, you will accomplish your dreams faster than you thought!

When thoughts of doubt come, declare the truth of God's Word! How will you ever get out of debt? --By His Spirit-- How will you ever get well? --By His Spirit-- How will you break that addiction? --By His Spirit-- How will you accomplish your dreams? --By His Spirit--

The more you brag on God's and believe His promises, the more you'll see His favor. As you walk in faith, putting your hope in Him, you'll see His promises manifest in your life. You'll experience His favor and victory and see every dream and desire come to pass!

## It's Your Time

**Habakkuk 2:3** - For the vision is yet for an appointed time...

God has planted seeds of greatness on the inside of you. He has predestined things in your heart to pass.

You may have had more than your share of unfair things happen in your life. You probably have plenty of reasons to just settle where you are. But understand, the depth of your past is an indication of the height of your future.

If you've been through a lot of negative things in the past, it just means that your future is bigger, brighter, and greater than you can even imagine. It's your time to step out and embrace all that God has for you! Are there dreams and promises you let go of? Are there things that God has placed in your heart, but because of time, because of disappointments, you've given up on them?

Today is the day to give your dreams a new beginning. Today is the day to allow faith to rise in your heart. Remember, what's happened to you is not nearly as important as what's happened in you, and you are stronger and wiser than ever before. It's your time, it's your season to move forward into the destiny that God has prepared for you!
