Light In The Darkness

Psalm 112:4 - When darkness overtakes him, light will come bursting in...

Everyone goes through seasons of difficulty or times when things just seem dark. During these challenging times, know that you are not alone. God has a plan to drive out the darkness—He will flood you with His light! Notice in this verse it doesn't say, "The light will come trickling in." No, it says bursting in! That means suddenly, you will see God's goodness. Suddenly, you'll be promoted. Suddenly, the answer will come!

If you've been going through a difficult time, get ready for the goodness of God in a new way. Know that His light is about to come bursting in! Get ready for breakthroughs. Get ready for promotion. Get ready for restoration. You may have had that problem for a long time, but today could be the day that it turns around. Suddenly, things can change! God wants His glory to be seen on you. He wants you to stand out in the crowd.

He wants you so blessed everyone around can see His goodness on you! So keep standing, keep believing, keep hoping and keep declaring His Word - His light will come bursting in!

Prosper In All You Do

Psalm 1:3 – We will be like a tree firmly planted by streams of water, which yields its fruit in its season and its leaf does not wither - whatever we do prospers...

Large trees represent power, majesty, and stability. Have you ever noticed the difference between a tree planted by the water and a tree far away from water? The tree next to the water is healthier and more vibrant. Its fruit and blossoms are the most beautiful.

In the same way, when you are "planted" in the Word of God, your spirit is fed, and you grow strong just like the tree by the water. You'll bring forth fruit at the proper season.

In other words, you'll be in the right place and the right time. You'll be productive and fruitful. But notice the end of today's verse. It says that whatever you do will prosper!

Do you want to prosper in your relationships? Seek God's Word regarding relationships. Do you want to prosper in your health? Seek God's Word about healing. Do you want to prosper in your finances? Seek God's Word regarding finances.

Make sure your heart and mind are planted in the Word of God. Let Him illuminate your heart with truth. Let Him wash over you with His promises. Seek Him, trust Him, and obey Him. When you do - everything you do will prosper!
