## You've Got It!

**Psalm 30:5** - ...His favor lasts a lifetime...

Success in this life isn't necessarily about how popular, influential, or educated someone is. Success is about living a life of obedience to God's Word. When we step out to do what God has called us to do, Scripture says that His favor surrounds us like a shield. When we have His favor - we have everything we need - we have an advantage for success!

God's favor opens the right doors. His favor will bring good breaks. The favor of God will cause you to accomplish what you could not accomplish on your own. It gives you an edge. If you're going to see the gracious hand of God at work in your life, you can't go through the day feeling intimidated, thinking you're average, and comparing yourself to everyone else.

No, you must live like and think like, you have His favor. You talk like you have favor. You walk like you have favor. You dress like you have favor! Not arrogantly. In Faith. Not like you're better than anyone else, but with a quiet confidence - knowing that you have the gracious hand of God on your life! Live like you've got it because you do!

## Draw Closer to God

**James 4:8** - Come close to God, and God will come close to you...

God promises that He will draw close to you when you draw closer to Him. How do we do that? This Verse goes on to say that we must turn away from sin because sin separates us from God. Simply turning to God is the first way to draw closer to Him. Then the Bible tells us to come into His presence with thanksgiving in our hearts and give Him praise.

When you have a thankful heart, you are drawing closer to Him. The Scripture tells us that God opposes the proud but gives grace to the humble. When you have a humble heart before Him, you are drawing closer to Him. When you seek Him with your whole heart, you will find Him. He will draw close to you.

Seek God today by reading your Bible, praying, meditating on His promises, and worshiping Him. With an open heart, you can draw near to God just as you are, right where you are, and He will fill You with His peace and goodness all the days of your life!
