## God's Deep Secrets

**1 Corinthians 2:9–10** - No eye has seen, no ear heard, no mind imagined - the wonderful things God has for those who love Him. God has shown these things to us through His Holy Spirit, who sees even the secrets of God...

Who do you share your deepest secrets with? Most people only share their inner thoughts with those who are closest to them. People they trust. People they've gone through experiences with.

Do you know who God shares His secrets with? This Scripture says "to us."

As believers, God's Spirit lives inside of us, revealing to us the heart and thoughts of God Himself. God wants you to know what He thinks about you. He wants you to know about the plans He has for you. He wants to show you things you've never seen, heard about, or even imagined.

You are His child, He wants to walk with you, talk with you, and share with you. What a wonderful, amazing thought—we can know God's thoughts because we are one with Him. Open your heart and allow Him to share His deep secrets with you today.

## A Spirit Of Unity

**Romans 15:5** - May the God Who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had...

Do you find that you are surrounded by people all the time, yet you still feel disconnected from them? In your family, is everyone going in different directions, always busy, always doing their own thing?

I have found we must make a conscious effort to walk and live in unity with the people in our lives. To not allow distractions to pull us apart. Walking in a spirit of unity goes beyond just getting along, it's about going the extra mile to support and lift one another up. If you want to get the most out of life, it comes through giving to one another, not taking. At some point you must draw a line in the sand and say, "I'm going to slow down and connect with the people I love. I'm not going to take my relationships for granted."

Start today by calling a friend or family member whom you haven't talked to in a while. Reach out to them and let them know they are important. Make time to have dinner as a family and support each other's activities. When you walk and live in unity, you bless the Lord. It will open the door for Him to pour out His abundant blessing in your own life in return!
