The Lord Is With You

Joshua 1:9 - Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go.

No matter what today has in store, as a believer in Jesus, you can approach the day with boldness and confidence. Why? Because the Lord is with you, and in Him is everything you need in this life. That means if you need provision for something today, provision is with you.

If you need wisdom today, wisdom is with you. If you need strength, joy or peace today, they're with you. You can be confident today knowing that all your needs are supplied spiritually, physically and emotionally because the Lord is with you. And best of all, He's promised never to leave you!

Don't let lies from the enemy or pressure from the world keep you from taking hold of everything the Lord has for you. Open your heart by faith and receive whatever it is that you need. Thank Him for His provision in your life and move forward in confidence and strength knowing that the Lord is with you!

Refuse to Worry

Matthew 6:27 - Can any one of you by worrying add a single hour to your life?

Is there something that you are worrying about today?

To worry means to allow something to revolve in your mind over and over again. God doesn't want you to live worried or anxious about anything. He knows that worry steals your peace and joy. It affects every area of your life.

Have you heard the saying "don't worry yourself sick"? That's because worrying affects your physical body. It affects your sleep. You won't ever gain anything by worrying; in fact, you'll lose precious moments that you can never get back again. The good news is that God has promised that you can have victory over worry. It starts by making the choice to trust in Him. When you cast your cares on Him, He will give you His peace.

Decide today to put an end to worry in your life. Choose to feed your faith and fill your mind with God's promises. As you focus on God's Word, you'll drive out worry and fill your heart with faith and expectancy; and you'll be empowered to move forward into the life of blessing He has in store for you!
