“Religion is a man in church thinking about fishing. Relationship is a man out fishing, thinking about God.”

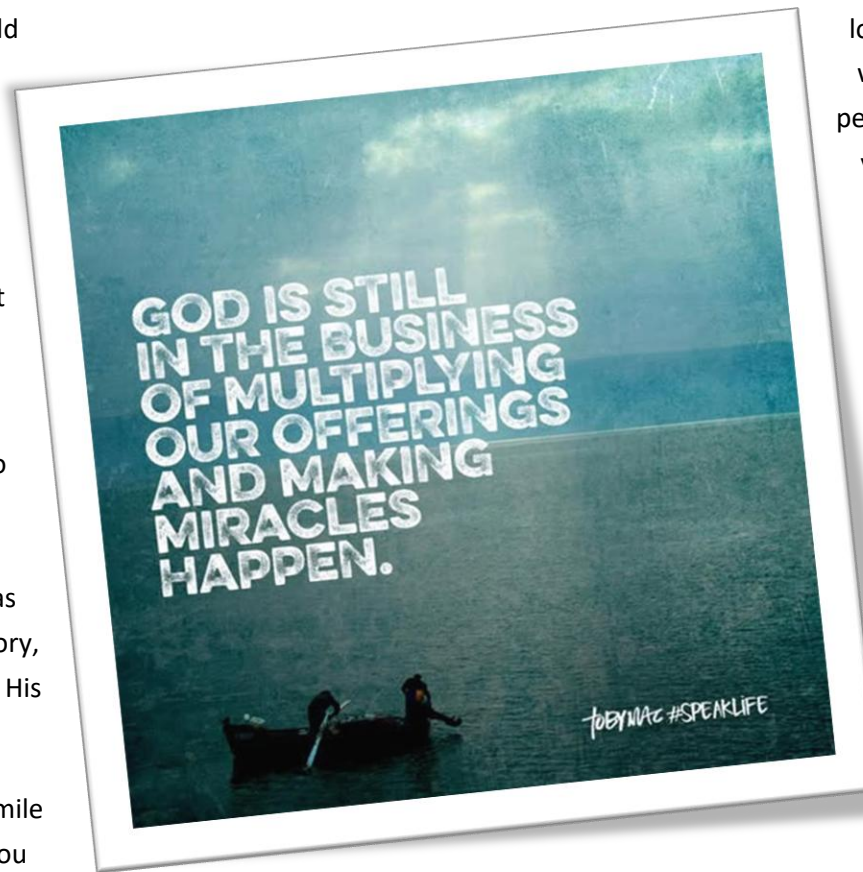

Victory Is On The Way

2 Corinthians 2:14 - But thanks be to God, who in Christ always leads us in triumphal procession, and through us spreads the fragrance of the knowledge of him everywhere...

Are you facing challenges or difficulties today? Maybe something has happened that could easily discourage you and cause you to give up on your dreams. I want to remind you that where you are is not where you are going to stay. God has a good plan in store for your future. When you stay in step with Him, you'll walk right into victory.

The Scripture tells us that God wants to take us from glory to glory, from victory to victory. Even if you are between victories right now, keep your passion. Keep your enthusiasm. Focus on the fact that God has another level for you—another level of glory, another level of increase, another level of His favor.

Today, I encourage you to go out with a smile on your face. Give Him your best. When you thank God for what He has done, you are sowing a seed that He will use in your future. Keep praying, keep believing, keep hoping, and stand strong because another victory is coming your way!

Pursue Loyalty

Proverbs 21:21 - He who pursues righteousness and loyalty finds life...

Have you ever noticed that righteousness and loyalty go together? In other words, if we're not being loyal—to our family, friends, country, job—then we aren't going to experience God's best. Loyal people are honorable people. When you're loyal, you stick with someone through thick and thin.

When you're loyal, you keep your word to people—even if you get a "better" offer.

Loyal people are respectful of their country and leaders. Loyal people honor their parents and defend their family. When you're loyal, you are a person of integrity. You build trust with others. Is this an area where you can rise higher? Are you faithful in the things you're committed to? Can you be more loyal?

Don't let the distractions of everyday life keep you from being dedicated. Look for ways to show honor to those around you. Is there something you need to set aside for the sake of a loved one? Show love by staying loyal. As Scripture promises, when you pursue loyalty and righteousness, you will find the abundant life God has planned for you!
