Declare the Shift is Coming

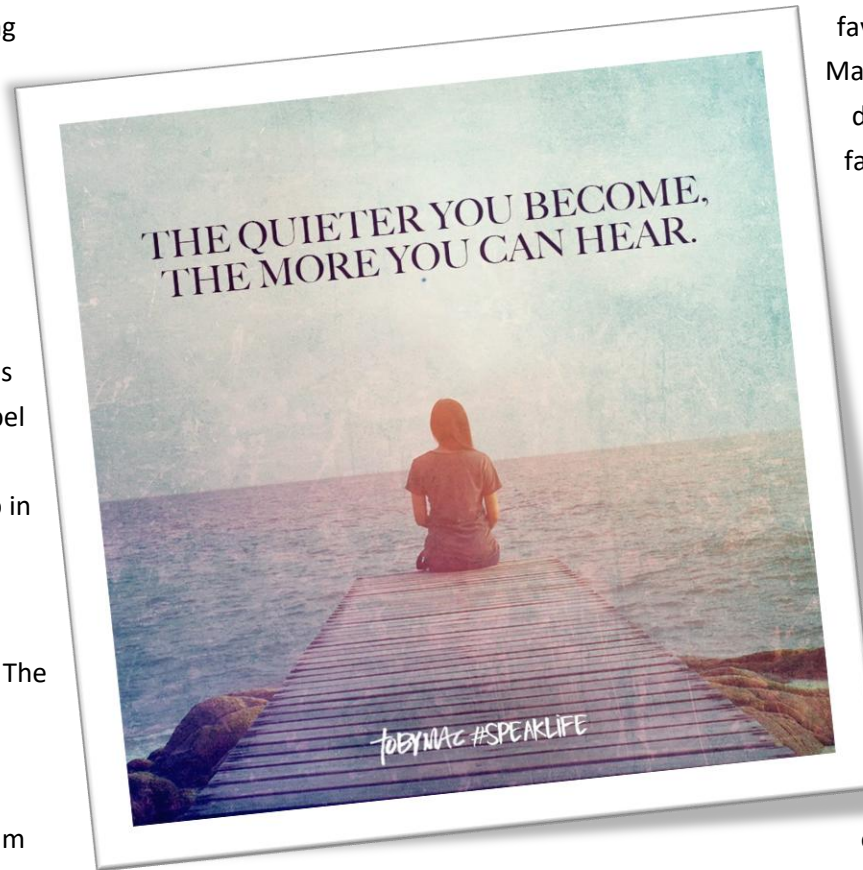

Job 22:28 - You will declare a thing, and it will be established for you - light will shine on your ways...

A shift is coming. Whatever you need - a shift in your health, a shift in your finances, or a shift in a relationship. It may not look like anything is happening in the natural, but we serve a supernatural God. He's about to breathe in your direction in a new way!

The enemies you have seen in the past, you will see no more. The addictions or bad habits that have held you back are being broken in Jesus' name. God's favor is being released in a new way that will propel you forward. What should have taken you 40 years to accomplish, God is going to do in a moment!

A shift is acceleration. A shift takes you beyond where you could go on your own. The shift is seeing Jehovah do exceedingly abundantly above and beyond.

Our attitude should be, "God, I'm ready. I'm taking the limits off. I'm enlarging my vision. I may not see a way, but I know You have a way. I declare a shift is coming!

Greater Than the Past

Haggai 2:9 - The glory of this present house will be greater than the glory of the former house, says the LORD Almighty. And in this place, I will grant peace...

We are living in a day where God is increasing His favor. He wants to amaze you with His goodness. Maybe you have seen God's goodness to a certain degree. You haven't seen anything yet! God has favor in your future that will supersede anything that you've seen in the past.

The scripture talks about how the glory of the latter day will be greater than the glory of the former day. That means what God did for your parents or grandparents, He's going to surpass in your generation.

The blessing and favor of past generations was good, but we serve a God of increase! He has greater things in store for your future!

It is time to get your hopes up. Enlarge your vision. Be expecting God to bring opportunities across your path. Expect to meet the right people and get the right breaks. Prepare your heart and mind to receive the increase and blessing God has for your future!
