*"It's not whether our lips say 'Amen'
but whether our lives do."*

– Mark Labberton

It Is Finished

Philippians 1:6 - And I am certain that God, Who began the good work within you, will continue His work until it is finally finished - on the day when Christ Jesus returns.

The last thing Jesus said on the cross was, "It is finished." At that moment, it certainly looked like the end. It looked like it was over. He was saying to Father God, "I've done My part. I've fulfilled My destiny. Now, You finish what You started through Me." What looked like an end, in reality, was only the beginning.

Remember, when things look dark in your own life, dare to make a declaration of faith and say, "It is finished." What you're really saying is, "God, I know You are going to finish what You started!" I know You are going to turn things around. I know that You are giving me the breaks that I need. Let Your will be done on earth as it is in Heaven! Keep looking with your eyes of faith knowing that He is faithful, and He will finish what He's started in you!

2 Corinthians 4:17-18 - "For our present troubles are small and won't last very long. Yet they produce for us a glory that vastly outweighs them and will last forever! So, we don't look at the troubles we can see now; rather, we fix our gaze on things that cannot be seen."

God Is On Your Side

Isaiah 29:5-6 - And in an instant, suddenly, you shall be visited and delivered by the Lord of hosts.

Throughout the Bible, we have examples of how God suddenly showed Himself strong on behalf of His people. But sometimes when we've struggled in an area for a long time, it's easy to just give up and accept things the way they are.

One of the enemy's favorite lies is to tell you that nothing is ever going to change. The devil will tell you that you're never going to get well, that your marriage isn't going to work out, that you're never going to break that addiction.

But it doesn't matter how long you've been in those circumstances; God can change things in an instant! In a split second of time, He can turn it all around. One touch of God's power can heal your body. One touch of His favor can promote you. One touch of His goodness can solve that problem. Just one touch from Almighty God can instantly change your life.

I encourage you today, keep believing, keep standing, and keep hoping. Don't let the enemy drag your thoughts down because God is working behind the scenes. Your time is coming, and I declare that your breakthrough is going to happen suddenly—in an instant!
