Moving Up Higher

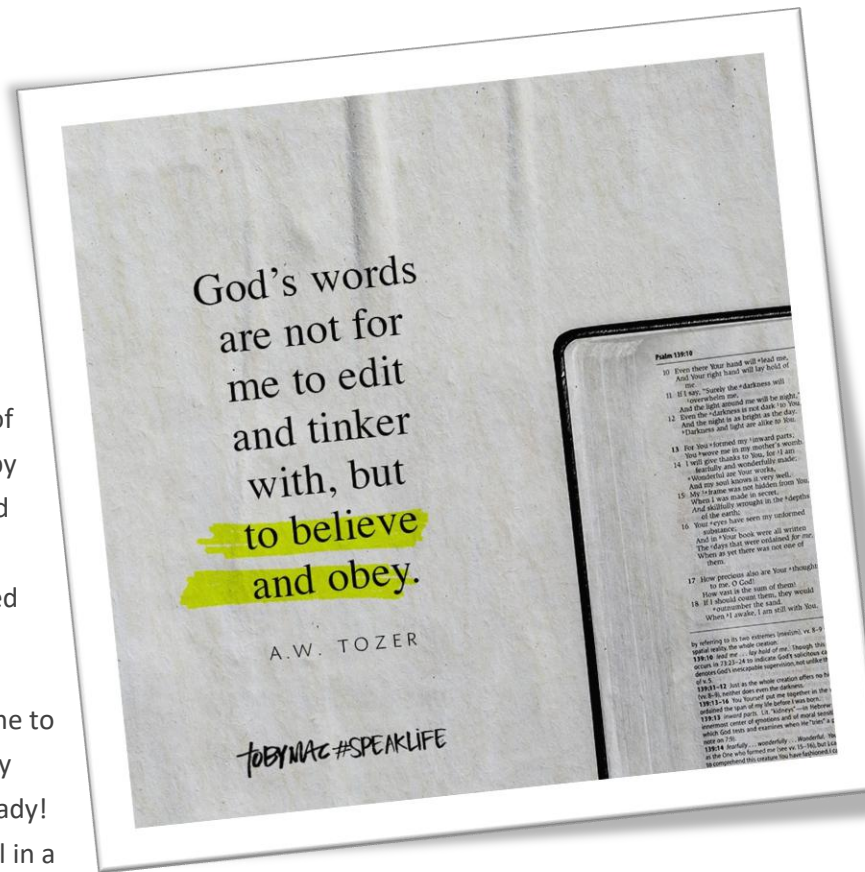

Psalms 102:13 - You will arise and have mercy on Zion, for the time has come to favor her...

One thing I've learned is that God likes to outdo Himself. His dream for your life are so much bigger than your own. His ways are higher. He has an appointed time of favor for your life. He's going to take you places that you never thought possible. He's going to open doors that you never have imagined. He's going to bring talent out of you that you didn't even know you had.

It's time to get excited about your future! Get your hopes up. Faith is the evidence of things hoped for. You have been chosen by the Father. Your destiny is not determined by the economy, how you were raised, or your education. Your destiny is determined by Almighty God.

Set your thoughts on things above. It's time to move up to a higher level. God has already given you victory. I boldly declare, Get Ready! God is going to raise you up to a new level in a life of blessing He has prepared for you!

Isaiah 55:8-9 - "My thoughts are nothing like your thoughts," says the Lord. "And My ways are far beyond anything you could imagine. For just as the heavens are higher than the earth, so My ways are higher than your ways and My thoughts higher than your thoughts."

If Only – Then I Would Be Happy

Proverbs 27:18 - The one who guards a fig tree will eat its fruit...

It's easy to get stuck in the trap of thinking that "if only" your circumstances would just change, then life would be better. You might think, "If I could just get a new job, a new house, if I had better friends, then I would really be happy."

But often God changes us before He changes our circumstances. We think, "If only my circumstances would change," And God thinks, "If only your faith would change!"

If you've been thinking "If Only" - it's time to turn your thoughts around. Don't allow negative thinking to direct your attitude or affect how you treat others. Instead, begin to thank God for what He has planned for you. Bloom where you are planted. Tend to what God has placed in your hand.

If you will focus on what you have instead of focusing on what you don't have, God can bless you and multiply you. He will lead you forward into the destiny He has in store for you! Do not be unwise. Understand the will of God. Be filled with the Spirit. Make melody in your heart to the Lord. Give thanks always for all things to God the Father in the name of our Lord Jesus Christ...
