## Before Creation

**Ephesians 1:4** - He chose us in Him before the creation of the world...

Did you know that God chose you before the foundations of the earth? Before the worlds were ever formed, He knew you. He didn't create you to be average. He didn't create you to barely get by. No, He created you to excel! Not only has He chosen you, He has equipped you with everything you need to live and thrive in this life. He has deposited seeds of greatness inside every person. Faith in God's promises is the key to tap into those seeds of greatness - you must believe and act on those promises.

Too many people today are going around with low self-esteem, feeling inferior like they don't have what it takes. That is a lie. When we have a poor self-image, we're not going to experience God's best. In order to be all that God has called us to be, we must see ourselves as chosen, valuable, and victorious.

Meditate on this truth. Let it sink down deep into your heart. Let it build confidence and security in you. As you understand your value in the eyes of God, you'll be empowered to live the life of victory He has prepared for you!

## God Wants You To Go For It!

**Matthew 11:12** - The Kingdom of Heaven has suffered violence - and the violent take it by force

From the days of John the Baptist until now, the Kingdom of Heaven has endured violent assault, and violent men seize it by force - as a precious prize - it is sought out with the most ardent zeal and intense exertion.

It's time to be aggressive and energetic when it comes to letting go of the past and pressing forward to the abundant life God has in store.

You can't sit around in self-pity and think about what you lost, who hurt you, and how unfair it was. It's time to develop a warrior mentality and boldly go after your victory! A warrior doesn't complain about opposition; a warrior loves a good fight. It's time to proactively pursue the happiness, health, and peace that is promised in God's Word.

God told Joshua to cross over the Jordan and go in and possess the land. Notice that the word "possess" implies action. It means to drive out the previous tenants. It's time to quit dwelling on past mistakes and failures and determine to never look back!

As you set your focus on the Word of God and His promises, you'll discover victory rising in every area of your life—you'll discover the champion in you!
