Refuse To Worry

Matthew 6:27 - Can all your worries add a single moment to your life?

Just like worship gives God the opportunity to move in your life - worrying gives the devil the opportunity to move as well.

Faith is the key that gives you access to God working in your life. Worry moves you out of faith and into fear and doubt. And in a sense, handcuffing God from working.

Instead of thinking God's thoughts, and gaining victory, when we worry it is playing the enemy's lies in your mind over and over again.

Isaiah 26:3 – God will keep in perfect peace all who trust Him, all whose thoughts are fixed on Him!

God promises perfect peace when we keep our minds focused on Him. Pay attention to what is playing in your mind. When you dwell on negative thoughts, you will lose your peace. You must change what you're dwelling on.

When the opportunity to worry comes, use it as a reminder to worship the Lord. Thank Him for His goodness, and His precious promises! Cast all your cares on the Lord because He cares for you!

Receive the Overflow

Psalm 66:12 - ...we went through fire and water, but you brought us to a place of abundance.

No matter what your circumstances may look like today, God's plan is to bring you through to a place of abundance. He wants you to have an abundance of peace, an abundance of joy, an abundance of resources—He wants you to overflow with His blessings so that you can be a blessing to the people around you.

If you want to live in the overflow of God's blessings, you must have an attitude to receive the overflow. Remember, as a believer in Jesus, you are a child of the Most-High God. Royal blood is flowing through your veins. You were not created to be average. You were not created to barely get by and drag through life. You have seeds of greatness on the inside.

You are well able to do whatever God has called you to do!

Put your shoulders back, hold your head up high, and start thinking like a victor. When you're a victor, you know that any adversity in your life is not permanent; it's temporary. Have the attitude to receive the overflow of God's abundance. Keep believing and keep expecting because it's just a matter of time until He turns things around in your favor!
