Power Of Words

Ephesians 4:29 - Let no foul or polluting language... come out of your mouth

Your words have the power to pollute or purify. If you constantly complain, you release poison into your life.

Complaining is not based on your circumstances; it's based on the attitude and condition of your heart. BUT, if you will keep the right attitude during your time of adversity, God will honor you.

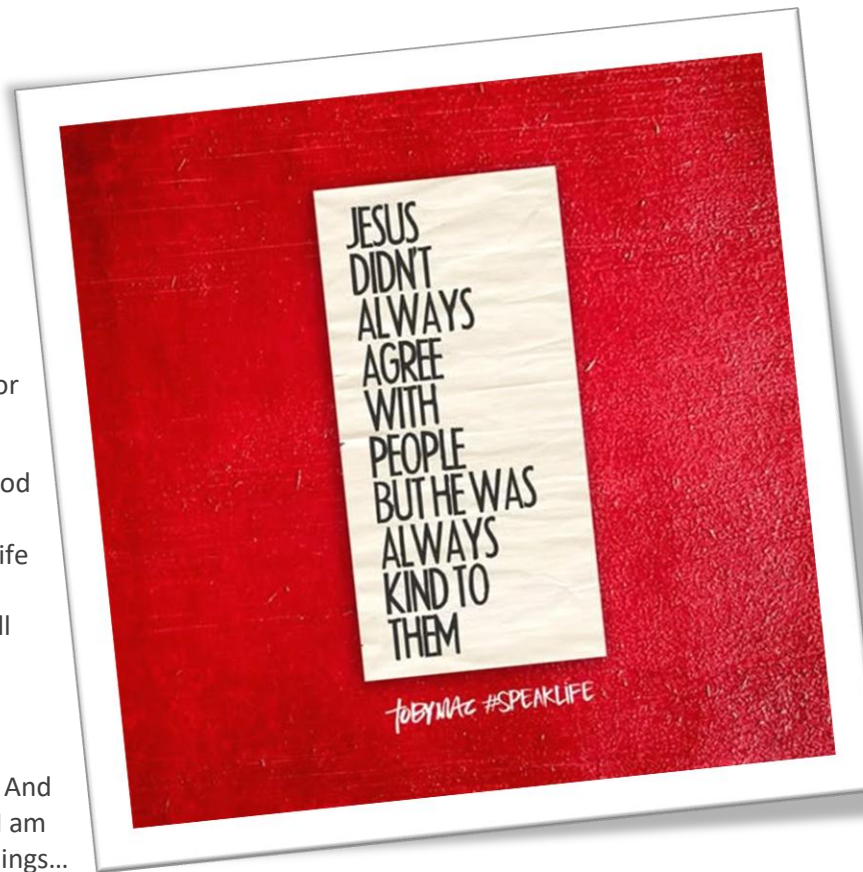

When you truly trust God, there are times you will have unanswered questions—don't let that keep you from fulfilling your destiny. When you have a heart full of gratitude, it leaves no room for complaining.

You can always find something to thank God for no matter what kind of adversity you may face in life. So decide today to live a life of thanksgiving! Don't allow the poison of complaining prevent you from receiving all God has for you!

--Prayer--

God, I believe in the power of Your Word. And the power of speaking Your Word. When I am tempted to complain or speak negative things... please help me to listen to that quiet voice inside me that tells me to hold them back.

Help me to take a quiet moment to meditate on what You have said – and all the things I have to be thankful for. Help me to adjust my attitude so my words represent You well... In this place I will have joy unspeakable and peace that passes all understanding...
In Jesus' Name – Amen

Speak Goodness

Psalms 34:1 - I will bless the Lord at all times... His praise shall continually be in my mouth...

When you wake up in the morning, do you expect the goodness of God in your life? Do you set the tone of the day for success, favor and blessing with your words?

Scripture tells us that life and death are in the power of the tongue. That's why it's so important to declare praises to God all throughout the day. Things may be bad all around you. People may be negative, complaining, and discouraged, but do not let that spirit rub off on you.

The worse it gets, the brighter you're going to shine. The good news is that no matter how you feel, no matter what's going on around you, you can choose your words. There's nothing that can stop you from constantly speaking His Word!

Be determined to set the tone for your day, week, month and year by praising God. Speak words of faith over your future. When you put God first, He promises to honor you. He will pour out His favor on you and lead you into life, health, strength and blessing all the days of your life!

--Prayer--

Lord, I choose to bless You at all times. I choose to set the tone of my life to receive Your favor, grace and mercy. Thank You for Your faithfulness at all times in Jesus' Name -- Amen!
