An Exceptional Future

Proverbs 4:18 - But the path of the [uncompromisingly] just and righteous is like the light of dawn, that shines more and more (brighter and clearer) until [it reaches its full strength and glory in] the perfect day...

We all face challenges. We all have obstacles to overcome. But if we can keep the right perspective, it will help us stay in faith so that we can move forward into victory. You may feel right now as though the challenges you face are too big or too overwhelming. One thing I've learned is that average people have average problems. Ordinary people have ordinary challenges. But remember, you're not average. You're not ordinary. You are extraordinary. God breathed His life into you. You are exceptional, and exceptional people face exceptional difficulties.

But the good news is that we serve an Exceptional God! When you have an extraordinary problem, instead of being discouraged, be encouraged, knowing that you're an extraordinary person, and you have an extraordinary future. Your path is shining brighter and brighter because of your Extraordinary God! Be encouraged today because your life is on an extraordinary path. Keep standing in faith, keep declaring victory, keep declaring the promises of God over your life because you have an exceptional future!

Go To Deeper Waters

Psalms 107:24 – They observed The Lord's power in action - His impressive works in the deepest seas...

Another paraphrase says, "They that go down to the sea and do business in deep waters. They will see the wonders of God." You and I were created to do business in deep waters. In other words, we're not supposed to have little dreams or little plans. We are supposed to dream big and accomplish much. We are supposed to go out into the deep things God has for us.

Psalms 42 says that deep calls to deep. In other words, God is the One Who has called you to the deep waters. And He is with you! He knows the deep things inside you. When in deep waters, you are not alone. God is with you, and He's causing those deep things that are inside you to come forth.

If you feel like you are out in the deep today, if you feel overwhelmed, remember, you are not alone. You are in the right place. God is with you. You will see His wonderful deeds in the deep. You will fulfill the plan He has in store for you!

Isaiah 43:2 (NLT) – When you go through deep waters, I will be with you. When you go through rivers of difficulty, you will not drown. When you walk through the fire of oppression, you will not be burned up; the flames will not consume you.
