How Do You Honor God?

Titus 3:1 - Remind people to be subject to rulers and authorities, to be obedient, to be ready and willing to do good.

What do you do to honor God? A lot of times people think, "I go to church to honor God. I read my Bible to honor God. I sing and clap in worship to honor God." And yes, those are ways to honor God.

Did you know that you honor God just as much when you get to work on time? You honor God when you are productive each day. When you honor the people in authority over you. You honor God when you excel in your career.

Actions speak louder than words. When you give your very best in the workplace, your whole life is giving praise to God. Showing up with a good attitude, being friendly, organized, just being your best—people will notice there's something different about you. They'll want what you have.

As believers, we should set the standard in all areas of life. People should see the depth of your character and your spirit of excellence. People should know you are a child of the Most-High God. Make the decision to honor Him in all that you do because you are His representative in the earth today!

Walk Through

Psalms 23:4 - Even when I walk through the darkest valley, I will not be afraid, for you are close beside me. Your rod and your staff protect and comfort me.

We've all been in seasons of life when we feel like things aren't going our way, or we're not where we want to be. In these times, it's tempting to let discouragement and doubt come in and take away the peace and excitement you once had.

You may be in one of those seasons right now, struggling to truly be happy where you are. But this is not the way God wants you to live. He tells us in scripture that even in the difficult times, He is with us. Even when you can't see a way out, He will make a way through. Even when things don't turn out the way we planned, He has a plan to turn things around for our good.

The key is to not get upset about your circumstances. Instead, be determined to walk through to victory. Declare by faith that no weapon formed against you shall prosper. Declare by faith that you are rising higher. Keep standing, keep believing, and keep hoping! God has a bright future in store for you!
